**HOW
WE
WORK!**

HOW WE WORK!

We imagine that you feel curious about how we work and why *Job Seekers choose us and recommend us!*
Let us explain what you can expect once you hire our coaching services!

1 You will register in our career coaching programs by filling out a form and/or you will contact to our Executive Assistant for Career Opportunities.

2 You will receive:

- A Link to **book the sessions.**
- A Personalized access to Google Drive so you can save your CV and any other resources you need for the session.

PDF Cover letter.pdf 👤

PDF CV.pdf 👤

- 3 You can choose a Career Coach or they will be assigned based on your background, experience, and expectations.
- 4 You will receive access to the Masterclass Online Course where you can find a course with different modules related to Personal Branding, SWOT Analysis, Motivational Letters, LinkedIn, and CV/Resumé, among others. Moreover, you will get access to the FAQs videos.

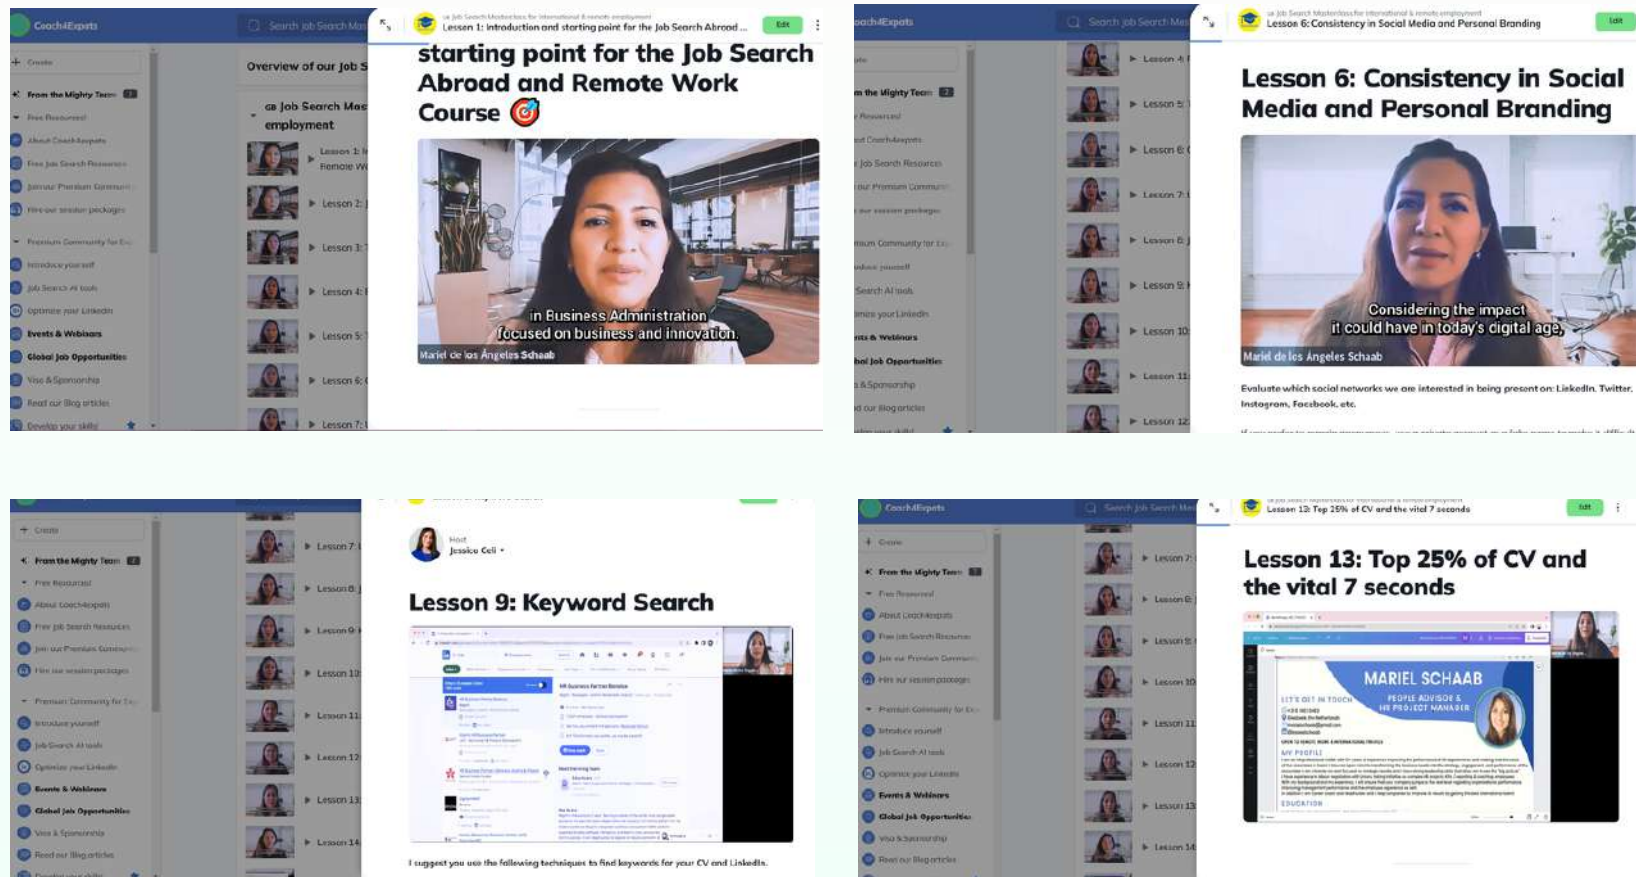

Please note that completing the Job Search Masterclass previous to the first session is MANDATORY.

- You will receive a Premium access to our community (included in the price):

The image shows two screenshots of the Coach4Expats platform. The left screenshot is the website's landing page, featuring a group of diverse people in a meeting. The text on the page reads: "Welcome to Coach4Expats", "The largest Expats Community for your Global Career Development", and "Connect, Learn, Thrive: Empower Your Job Search Journey for International & Remote Job Opportunities". A green "Join Now" button is visible. The right screenshot shows the community interface, with a search bar for "Job Search Masterclass" and a list of categories including "Visa & Sponsorship", "Read our Blog articles", "Develop your skills!", "Languages School", and "Talk to the Expats community". The "Job Search Masterclass" is highlighted, showing an overview of the course with three lessons: "Lesson 1: Introduction and starting point for the Job Search Abroad and Remote Work Course", "Lesson 2: Job Search Strategies", and "Lesson 3: The importance of language in the search for a job".

➤ Here below some screenshots of the Job Search Masterclass:

- 5 From the moment you start the career advisory process, you will count on us 100%! We will provide you with tools to gain self-confidence.
- 6 We will walk this path together by providing emotional and professional support, guiding you to find answers, and building an Action Plan together to achieve the expected results.

- 7 Depending on the hired plan, you may receive assessments to rethink your skills and recognize skill gaps in the event of a Professional reorientation situation.
- 8 Once we start with the Career Coaching session and depending on the hired plan, you will receive advice to correct your CV, Motivational Letters, and LinkedIn, and how to find a job. We will help you build your personal brand and be impactful in Social Media (LinkedIn, Facebook, Twitter, among others).
- 9 You can also be trained for nailing successful job interviews!

RECOMMENDATIONS

We had 2000+ clients from 30+ countries!
Here below you can find some messages from our clients:

- *Thank you very much for the sessions again, the outreach is not only associated with the CV building... Your career coaching sessions bring many other things that help to develop the professional profile, provide with tools to know yourself and know your skills. I am really very happy with the result! Now I feel ready to start to apply to job opportunities!*
Dalbert S., **Join Ventuie Executive** | Oil & Gas industry
- *I want to tell you that I got job offers from Spain and Denmark. After negotiating, I decided to move with my family and accept an offer in Barcelona. The company sent me the tickets to fly to Spain and we arrived last September. We are really happy with this change, and we live now near of a beach. Thank you for being part of this process!*
Andrés F., **Deputy Vice President Director Major Capital** | Oil & Gas industry
- *I just started a new job yesterday! I'm super happy for the new challenge, and I want to thank you because the session we did was a before and after in the job search process in the Netherlands.*
Belen M., **Senior Logistics and Export specialist** | Automotive sector
- *Thank you very much for all the energy and passion that you had during the group workshop. On a personal note, it helped me very much to orientate myself and to understand where I need to put my energy during my job search. I loved this training course.*
Eric T., **Software Engineer** | Software & Technology sector

RECOMMENDATIONS

We had 2000+ clients from 30+ countries!

Here below you can find some messages from our clients:

- *First of all, thank you very much for your comments about my improvements and steps to build a great CV. I feel motivated to keep working on my career opportunities. Your work is excellent because you certainly see the key points that people need to improve! You check every detail and that is awesome! Congratulations, your work is amazing! Moreover, after having worked on my Motivational Letter, I got calls for interviews! I feel very happy!*

Ruben F., **Customer Service & Sales Representative** | Hospitality and Horeca sector
- *I want to tell you that I had more than 30 interviews in the last 3 months here in Europe. Definitely, your service was key to getting this job, thank you very much!*

Max M., **Vice President – Information Security Manager** | Banking sector
- *I am 51 years old, and I have never realized what was important to me, what I like, what enjoy doing and what I dislike. I moved from Canada to the Netherlands, and just now with your sessions, I discovered that I needed vocational orientation to understand what I want for my professional life. Personal and professional sides can merge in one.*

Erin M., **Scientific Researcher** | Medical research
- *I have some news! I got a job as a Project Manager here in Ireland. It's a very good position and a very good company. In the future, I would like to work in USA or remote for another country in Europe. I will contact you then to use the pending session. Thanks for your flexibility!*

Julia V., **Project Manager & Process Development Manager / Industrial Engineer** | Medical equipment Manufacturing
